DEADLOCK IN MARRIAGE LICENSES IS OVERCOME

The Territorial Agents May Issue Them Until
the Proper County Officers Have
Qualified for Duty.

The Gordian knot is cut. Marrying and giving in marriage are not stopped in Hawaii for want of legal licenses, pending either the fate of the County Act or the putting into operation of its provision in regard to the issuance of marriage licenses. Attorney General Andrews has rendered an opinion on the question as submitted to him by Governor Carter, who, in authorizing its publication, stated that the opinion had his approval.

The opinion holds that the County Act takes the issuance of licenses out of the hands of the Territorial agents appointed therefore, but that until the county officials authorized to issue marriage licenses qualify for office the Territorial agents should continue to exercise the function. For the eight days in which the agents refused to issue licenses through doubt of their authority, many couples intending marriage have had arrangements for the happy day upset. Clergymen, too, have been bothered with requests to have them perform the ceremony and wait for the enabling document, but of course they knew better than to take any such liberty with the law.

Following is the Attorney General's opinion:

Honolulu, T. H., January 11, 1904.
Hon. Geo. R. Carter, Governor, Territory of Hawaii.

Sir: In answer to your request of even date, as to the right of agents duly authorized to grant marriage licenses, pending the qualifying of tax collectors for the County of Oahu, I would reply as follows:

Sec. 333 of the County Act reads: "It shall be the duty of the tax collector to grant marriage licenses in conformity with the laws; and for each license the said tax collector shall receive a fee of one dollar to be paid by the party applying therefor."

By Section 49 of the same Act, tax collectors may appoint deputies, who shall have the same power as their principals in regard to all acts required to be performed by said principals.

Under these sections the power is undoubtedly taken from the agents as provided by the Legislature, and placed in the hands of tax collectors and their deputies, but such power cannot be exercised by such tax collector and deputies until they have duly qualified, and until there is such an officer whose holding licenses from the Territorial Government continue to act.

It is a well set principle of law, that there should never be an interregnum when officials whose term has expired by limitation that otherwise can be made to hold over, and as the present agents issuing marriage licenses would have continued in office in the absence of the provisions of the county law, they still continue in office, in my opinion.

THE WORRIED WOMEN.

They say men must work and women must weep; but alas, in this too busy world women often have to work and weep at the same time. Their holidays are too few and their work heavy and monotonous. It makes them nervous and irritable. The depressed and worried woman loses her appetite and grows thin and feeble. Once in a while she has spells of palpitation and has to lie up for a day or two. If some disease like influenza or malarial fever happens to prevail she is almost certain to have an attack of it, and that often paves the way for chronic troubles of the throat, lungs and other organs; and there is no saying what the end may be. Let the tired and overladen woman rest as much as possible; and, above all, place at her command a bottle of **WAMPOLE'S PREPARATION** a true and sure remedy for the ills and maladies of women. It is palatable as honey and contains all the nutritive and curative properties of Pure Cod Liver Oil, combined with the Compound Syrup of Hypophosphites and the Extracts of Malt and Wild Cherry. Search the world over and you will find nothing to equal it. Taken before meals it improves the nutritive value of ordinary foods by making them easier to assimilate, and has carried hope and good cheer into thousands of homes. It is absolutely reliable and effective in Nervous Dyspepsia, Impaired Nutrition, Low Vitality, Wasting Conditions, Melancholy, Chlorosis, Scrofula, and all troubles of the Throat and Lungs. Dr. E. J. Boyes says: "I have found it a preparation of great merit. In a recent case a patient gained nearly twenty pounds in two months' treatment, in which it was the principal remedial agent." It carries the guarantee of reliability and cannot fail or disappoint you. At chemists.

ion, and have the right to act until the officials under the County Act have duly qualified.
It is also a matter of public policy that there should be persons within the County of Oahu, Territory of Hawaii, who should have the right to issue marriage licenses, and only those duly appointed under the Territory have that right until the qualification of the necessary county officers.

Yours truly,
LORRIN ANDREWS,
Attorney General.

TO PREVENT CROUP, begin in time. The first symptom is hoarseness; this is soon followed by a peculiar rough cough, which is easily recognized and will never be forgotten by one who has heard it. The time to act is when the child first becomes hoarse. If Chamberlain's Cough Remedy is freely given, all tendency to croup will soon disappear. Even after the croupy cough has developed, it will prevent the attack. There is no danger in giving this remedy as it contains nothing injurious. It always cures and cures quickly. Benson, Smith & Co., Ltd., Wholesale Agents, sell it.

St. Douglass.

'Twas the night before Christmas,
And all through the house,
Not a creature was stirring,
Not even a mouse.
When mamma awoke with a start and a shake,
And wondered why papa
Was so wide awake;
A rumbling and roaring
Soon came to their ears—
A noise that would follow them,
All through their years.
For down near the bath room
The water rushed out,
And it caused poor papa
And mamma to shout.
"Oh, why did we make such a fearful mistake?"

"Oh, John dear, I fear that
My poor heart will break,
Unless you will promise
That tomorrow you'll call
Bath, the plumber, and have him
Go over it all.
And then no more leaks,
For we know that 'tis true,
That folks always call Bath
When there's plumbing to do."

QUICK JUSTICE IN FEDERAL COURT

Hankichi Terayama and Mura Kurihara, a Japanese man and woman, were brought before Judge Dole yesterday afternoon on information charging them with violating a moral statute of the United States. They saved the trouble of examination by the Commissioner and the grand jury by pleading guilty. They were sentenced to imprisonment at hard labor for six months and payment of costs. Terayama was acquitted of adultery by a directed verdict last week, because his marriage had not been established, but was immediately re-arrested on another charge and his partner in crime was arrested yesterday morning. They both realized that the United States laws were made to be enforced and pleaded guilty.

I. Kalsan was brought up for sentence for violation of customs laws, relating to importation of goods, yesterday. Judge Dole fined him \$50 and \$28.02 costs, \$78.02 altogether, which he paid.

J. H. Hakulele pleaded not guilty to indictment for embezzling U. S. Internal Revenue funds and his trial was set for January 21.

K. Kajita of Kapaa, Kauai, was adjudged a voluntary bankrupt, the schedule being referred to W. T. Rawlins, referee.

The trial jury will appear in the Federal court tomorrow.

Police Court Notes.

Judge Lindsay yesterday sentenced John Bryant, collector for the California Feed Company, to three months' imprisonment for embezzlement of \$36 of the firm's money. Bryant collected a bill for \$36 and failed to turn the money in, or to make an appearance. The man claimed he was drunk when he failed to make a report and did not know what he was doing.

George Hardy, a sailor from the transport Thomas, accused of stealing a bicycle from a Chinaman, appeared in court and had his case continued until today. He is charged with larceny in the first degree.

For carrying a revolver, Joe Kanoho, a bandboy, was fined \$10.

The case of M. G. Silva, charged with selling liquor on Sunday, and that of Shimoda and Nakamura, for purchasing liquor on Sunday in the former's saloon, were continued until Thursday.

WHAT A BLESSING

Many People Are Learning to
Appreciate in Honolulu.

What a blessing it is.
Sought after by thousands.
Honolulu is finding it out.
Many a miserable man is happy now.
Nights of unrest, days of trouble.
Any itching skin disease means this.
Itching Piles mean it.
Eczema just as bad, and just as bad to cure.

But Doan's Ointment relieves at once, and cures all itching of the skin.
A blessing to a suffering public.

Here's proof to back our statement: Mr. H. Ryall, of No. 11, Grosvenor St., South Yarra, a very old resident of Melbourne, Australia, states: "For some considerable time I have been a sufferer from that annoying complaint known as irritating piles. At times the irritation was very annoying, especially at night, and in the warm weather. I applied some of Doan's Ointment, which I had obtained and I am pleased to say that it gave me the desired relief from this annoying disease."

Doan's Ointment is splendid in all diseases of the skin: Eczema, piles, hives, insect bites, sores, chilblains, etc. It is perfectly safe and very effective. Very frequently two or three boxes have made a complete cure, of chronic cases that have not yielded to other remedies for years.

Doan Ointment is sold by all chemists and storekeepers at 50 cents per box, or will be mailed on receipt of price by the Hollister Drug Co., Ltd., agents for the Hawaiian Islands.

BAR MEMORIAL TO LATE MR. KA-NE

Before adjourning until Monday next, the Supreme Court yesterday morning ordered adopted and spread upon the records the following resolution in memory of S. K. Ka-ne, presented by the Hawaiian Bar Association's committee, Messrs. Stewart, Kaulukou and Stanley:

"S. K. Ka-ne was highly respected by all his acquaintances and greatly beloved by all his friends. His bright and well-cultivated mind, his quiet demeanor, his genial disposition secured for him a high place not only at the bar, but also in public life. As a lawyer he was careful and painstaking; and in public affairs, he was steadfast in holding his course, if he believed himself to be in the right. When he died the Bar lost an honorable member and the Territory lost a useful citizen, whose influence was exerted to allay racial strife, and to promote good government; therefore
"Resolved, That the Bar Association of the Hawaiian Islands hereby expresses its deep sorrow at the loss it has sustained in the death of Mr. Ka-ne and its sympathy for his widow and relatives, and respectfully moves this Honorable Court to spread this memorial upon its records."

PRATT REPORTS ON IROQUOIS TRIP

J. W. Pratt, Commissioner of Lands, reported to Governor Carter yesterday afternoon on the expedition in the U. S. S. Iroquois to Lanai and Kahoolawe. Little is left for publication after the account from Secretary Atkinson given by a reporter in yesterday's Advertiser.

With regard to the Lanai forest, more than half of it is owned by Charles Gay, owner of Lanai ranch, and W. G. Irwin. Mr. Gay intends to buy Mr. Irwin's holding and when he does so will own practically the main part of the forest belt.

In speaking of water on the island, Secretary Atkinson referred to the process of cleaning sisal, which takes much water, and not to the cultivation, as the plant thrives in dry soil.

BUCKEYE CLUB AND M'KINLEY FUND

The Buckeye Club will meet at the residence of Mr. and Mrs. Raymond C. Brown, 1012 Beretania street, this evening. There will be a program and business of unusual interest and it is desirable that the members be there promptly at 7:30 o'clock. All Ohioans are invited to be present. One of the objects of the meeting will be to consider a proposal of Dr. Rodgers to take up the question of the McKinley memorial fund and, if possible, get a monument instead of a recreation site.
